

The Day After Tomorrow

Saybia

1 Please tell me why do birds
Sing when you're near me
Sing when you're close to me

They say that I'm a fool

5 For loving you deeply
Loving you secretly

But I crash in my mind
Whenever you are near
Getting deaf, dumb and blind

10 Hust drowning in despair
I am lost in your flame
It's burning like the sun
And I call out your name
The moment you are gone

15 Please tell me why can't I
Breathe when you're near me
Breathe when you're close to me
I know, you know I'm lost
In loving you deeply

20 Loving you secretly, secretly

But I crash in my mind...

Tomorrow, I'll tell it all tomorrow
(say it all tomorrow)
Or the day after tomorrow (say it all
tomorrow)
I'm sure I'll tell you then (say it all
today)

25 But I crash in my mind
Whenever you are near (say it all to-
day)
Getting deaf, dumb and blind
Just drowning in despair (say it all
today)
Well, I am lost in your flame

30 It's burning like the sun (say it all to-
day)
And I call out your name
The moment you are gone

The moment you are gone
