

- 1 I can't a-get no satisfaction
I can't a-get no satisfaction
I have tried, I have tried
I have tried, I have tried
- 5 I can't a-get me no, ha-ha
And I can't a-get no, uh, now
- Oh, when I'm driving in my car
And the man come on the radio
Keep a-telling me more and more
- 10 About that useless information
He's tryin' to mess up my imagination
And I can get me no, no, no
And I can get me no
Hey, hey, hey, what I say?
- 15 You gotta, gotta, gotta-groovy
We gotta have it, we gotta have it
We gotta have it, we gotta have it
Keep on a-grooving, keep on a-grooving
We keep on a-grooving
- 20 Got, no, my, yeah, said
- I can't get no satisfaction
I can't get no, no satisfaction
I have tried, I have tried
I have tried, I have tried, tried, tried
- 25 I can't a-get me no, no, no
And I can't a-get me no, no, no, no
We gotta groove it, groove it, oh my now
Keep-keep on knocking, knocking baby, yeah
Ow, gotta, gotta have it, we gotta
- 30 Keep, keep, ah
Not ever, woman, she waits long time
This little girl is tryin' to put me down
I keep on running round in my sleep
I keep on messing up any beat
- 35 I keep on rocking, I try to find me
Somebody to love me
And give me some reaction
And I can find nobody, no, no, nobody
Give me no reaction, 'faction, 'faction, got to have it
- 40 Satisfaction, we got to have it
Satisfaction, earlier in the morning
Satisfaction, later in the evening
Wanna satisfaction, in the midnight hour
Want satisfaction...

Otis Redding recorded a rendition of "Satisfaction" for his album *Otis Blue*, 1965. Otis claimed that he did not know the lyrics of the song, saying: "I use a lot of words different than the Stones' version," Redding noted. "That's because I made them up." Of that session, Steve Cropper said, "...if you ever listened to the record you can hardly understand the lyrics, right? I set down to a record player and copied down what I thought the lyrics were and I handed Otis a piece of paper and before we got through with the cut, he threw the paper on the floor and that was it."
