

Fantasy

Earth, Wind & Fire, 1978

- 1 Every man has a place
In his heart there's a space
And the world can't erase his fantasies.
Take a ride in the sky
- 5 On our ship Fantasii
All your dreams will come true right away

And we will live together
Until the twelfth of never
Our voices will ring forever as one.
- 10 Every thought is a dream
Rushing by in a stream
Bringing life to the kingdom of doing.
Take a ride in the sky
On a ship Fantasii
- 15 All your dreams will come true miles away.

Our voices will ring together
Until the twelfth of never
We all will live, love forever as one.
- Come to see victory
- 20 In a land called fantasy
Loving life for you and me
To behold to your soul is ecstasy.
You will find other kind (*You will find other kind*)
That has been in search of you
- 25 Many lives have brought you to
Recognise (*Recognise*) it's your life now in review.

And as you stay for the play
Fantasy has in store for you
A glowing light will see you through
- 30 It's your day, shining day
All your dreams come true.
Ahhh...
- Come to see victory
In a land called fantasy
Loving life for you and me
- 35 To behold to your soul is ecstasy
Ahhh...
You will find other kind (*ooh*)
That has been in search of you
Many lives have brought you to
Recognize it's your life now in review.
Ah, ha...

"Fantasy" took a period of three months to be written and composed, and it was only finally finished after Maurice White saw the film [Close Encounters of the Third Kind](#) and gained inspiration from the film. Wiki: Fantasy (song)
