

Hard to Handle

Allen Jones, Alvertis Isbell (Al Bell) og Otis Redding

Indspillet af Otis Redding november 1967. R&B nr. 38, pop nr. 51 (udsendt som single posthumt)

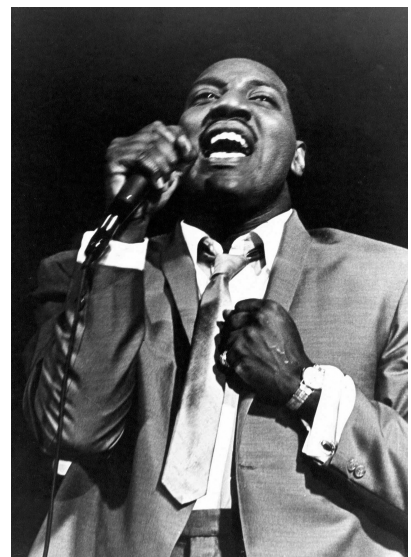

- 1 Baby, here I am, I'm a man on the scene
I can give you what you want, but you got to go home with me
I've got some good old loving, and I got some in store
When I get through throwing it on you, you got to come back for more
5 Boys and things will come by the dozen, but that ain't nothing but drugstore loving.
Pretty little thing let me light your candle 'cause mama I'm sure hard to handle now, yes I am.

- Action speaks louder than words, and I'm a man with a great experience
I know you got you another man, but I can love you better than him
Take my hand, don't be afraid, I wanna prove every word I say
10 I'm advertising love for free, so won't you place your ad with me
Boys will come a dime by the dozen, but that ain't nothing but ten cent love.
Pretty little thing let me light your candle 'cause mama I'm sure hard to handle now, yes I am.

- Baby, here I am, I'm a man on the scene
I can give you what you want, just come go home with me.
15 I forgot some good old loving, and I got a pair in store
When I get through throwing it on you, you got to come back for more.
Boys will come a dime by the dozen, but that ain't nothing but drugstore love.
Pretty little thing let me light your candle 'cause mama I'm sure hard to handle now, yes I am.

- Give it to me, the whole day long, I got to have it
20 Give me some good old loving
Some of this your good loving
I'm a big old man, mama.
