

I Don't Want Nobody To Give Me Nothing (Open Up The Door I'll Get It Myself) (1969)
James Brown

1 I don't want nobody to give me nothing } x4
open up the door, ha, I'll get it myself }
Ah, don't give me integration, give me true communication
Ah, don't give me sorry, I want equal opportunity to live tomorrow
5 Give me schools and give me better books
So I can read about myself and gain my truly looks
I don't want nobody to give me nothing
open up the door, I'll get it myself
Do you hear me now?
10 Some of us try as hard as we can
We don't want no sympathy, we just wanna be a man
I don't want nobody etc...
We got talents we can use on our side of town
Let's get our heads together and build it up from the ground
15 When some of us make money we forget about our people, huh, ha
Forget about our honey
Forget about our honey
Do you know, look at here, hey
Come on, I got to have it
20 Come on, I need it etc...
Lawdy, lawdy..
Play with your bad self
Come on, baby, come here, come here
Got to get myself together
25 So many things I got to do, So many things I got to see
I don't need no help from him
Tell everybody to find me here
All of these things, baby, ha
I got to do myself, come on, hey!
30 I got to have it, I, said I, said I, said I, said I, aaaah!
I don't want nobody etc...
We've used our sweat and blood
To put out every fire and block up every flood
I don't want nobody etc...
35 I'm not gonna tell you what to do, I'm not gonna raise a fuss
But before you make another move let's start by taking care of us
I don't want nobody etc...
Kids, get that education and don't you take no bar
'cause we gonna get this thing together and you got to carry the ball
40 I don't want nobody etc... open up the door, open up the door, open up the door,
Can you dig the groove?
Can you make the move?
Can you dig the same?
Can you make me play? [singlen fader her]
45 Can you dig the groove?
Can you dig it, tell me, can you dig it etc. etc. ...

I don't want nobody to give me nothing (open up the door, I'll get it myself)
