

I Wish

Stevie Wonder 1976

- 1 Looking back on when I
Was a little nappy headed boy
Then my only worry
Was for Christmas what would be my toy.
- 5 Even though we sometimes
Would not get a thing,
We were happy with the
Joy the day would bring.
- Sneaking out the back door
- 10 To hang out with those hoodlum friends of mine,
Greeted at the back door
With boy thought I told you not to go outside.
Tryin' your best to bring the
Water to your eyes
- 15 Thinkin' it might stop her
From woopin' your behind.

I wish those days could come back once more
Why did those days ev-er have to go?

- I wish those days could come back once more
- 20 Why did those days ev-er have to go?
Cause I love them so.

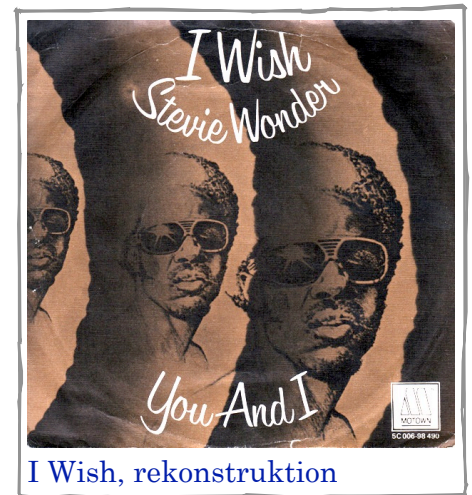

Doo-doo. doo-doo, doo-doo-doo-doo-doo-doo-doo-doo-doo
Doo-doo. doo-doo, doo-doo-doo-doo-doo-doo-doo-doo-doo

Brother says he's tellin'

- 25 'Bout you playin' doctor with that girl,
Just don't tell I'll give you
Anything you want in this whole wide world.
Mama gives you money for Sunday school
You trade yours for candy after church is through.

- 30 Smokin' cigarettes and writing something nasty on the wall (*you nasty boy*)
Teacher sends you to the principal's office down the hall
You grow up and learn that
Kinda thing ain't right
But while you were doing it
- 35 It sure felt outta sight.

I wish those days could come back once more
Why did those days ev-er have to go?
I wish those days could come back once more
Why did those days ev-er have to go?

I Wish, rekonstruktion
