

Aretha Franklin: (Sweet Sweet Baby) Since You've Been Gone (1967)

- 1 Baby baby, sweet baby,
There's something that I just got to say,
Baby baby, sweet baby,
You let me hurting in a real cold way.
Speak your name, ooh, and I feel a thrill
You said I do, and I said I will
- 5 I told you that I'll be true and give me just a little time
Wait on me baby, I want you to be all of mine,
I've just been so blue
- Since you've been gone (*Why'd you do it, why'd you have to do it?*)
Baby, since you've been gone (*Why'd you do it, why'd you have to do it?*)
- 10 Baby baby, sweet baby (*sweet sweet*)
I didn't mean to run you away,
It was pride on my lips but not in my heart
To say the things that made you stray.
But I mean
Hear me now (*hear me*)
- 15 I don't know what I'm gonna do (*hear me*)
Yeah, to get you back somehow (*hear me now*)
I'm trying
Take me back, consider me please
If you walk in that door I can get up off my knees
- 20 I've just been so blue (*uh*)
- Since you've been gone (*Why'd you do it, why'd you have to do it?*)
Since you've been gone (*Why'd you do it, why'd you have to do it?*)
- I've been so lonely (*Sweet sweet, sweet sweet baby*)
Since you've been gone (*Sweet sweet, sweet sweet baby*)
- 25 I've been so lonely (*Why'd you do it, why'd you have to do it?*)
Since you've been gone (*Why'd you do it, why'd you have to do it?*)
Baby, baby, baby
