

1 Ha! Know we need it (*Soul power*)
 We got to have it (*Soul power*)
 Know we want it (*Soul power*)
 Got to have it (*Soul power*)
 5 Give it to me (*Soul power*)
 Hey, you need it (*Soul power*)
 We want it (*Soul power*)
 Got to have it (*Soul power*)
 I wanna get under your skin-a
 10 If I get there I got to win
 You need some soul
 Come on and get some
 And then you'll know
 Where I'm coming from, ha.
 15 I may lay in the cut and go along
 But I'm still on the case
 And my rap [scorereplik] is strong
 Ha, ah, hey.
 Go jump on my train
 20 When I'm outta sight
 Just check yourself, ha, and say,
 Yeah, You're right, ha
 Hey, hit me.
 Ah, give it, put it there, ha
 25 Love me tender and love me slow
 If that don't get it (*what?*)
 Come back for more
 Love me tender, ah, love me slow
 If that don't get it (*ha*)
 30 Come back for more. Eh!
 Ah, look-a here, you gotta get
 In the bracket
 You know I like it
 Ha, all right
 35 Look-a here, all right-a
 You ball on the ground
 You gotta get down, down, down, down,
 down, ha, eh
 A ball on the ground
 40 You gotta get down, down, down, down,
 down, ha, he, good god
 I got to ask you
 What we need (*Soul power*)
 What we want-a (*Soul power*)
 Got to have-a (*Soul power*)
 45 What we want (*Soul power*)
 What we missing (*Soul power*)
 What we missing (*Soul power*)
 What we want (*Soul power*)

What we need (*Soul power*)
 50 He, ah, auw, hit me
 Love me tender, love me slow, ha
 If that don't get it (*what?*)
 Come back for more
