

Aretha Franklin: Think (1968)

- 1 You better think (*think*) think about what you're trying to do to me
Yeah, think (*think, think*), let your mind go, let yourself be free
Let's go back, let's go back, let's go way on back when
I didn't even know you, you couldn't have been too much more than ten (*just child*)
- 5 I ain't no psychiatrist, I ain't no doctor with degree
It don't take too much high IQ to see what you're doing to me
You better think (*think*) think about what you're trying to do to me
Yeah, think (*think, think*), let your mind go, let yourself be free
'Cause freedom (*freedom*), just give me some freedom (*freedom*), o freedom, yeah freedom
right now
- 10 Freedom (*freedom*), oh freedom (*freedom*), give me some freedom, ooh freedom right now
Hey, think about it, you, think about it.
There ain't nothing you could ask I could answer you with I won't (*I won't*)
But I was gonna change, but I'm not, if you keep doing things I don't.
You better think (*think*) think about what you're trying to do to me (*What shall I do? Think*)
- 15 Oh, think (*think, think*), let your mind go, let yourself be free.
People walking around everyday, playing games, taking scores
Tryin' to make other people lose their mind, well, be careful you don't lose yours,
Oh, think (*think*) think about what you're trying to do to me, wooh
Think (*think, think*), let your mind go, let yourself be free.
- 20 You need me (*need me*) and I need you (*don't you know it?*)
Without each other there ain't nothing either can do, oh.
Oh, yeah, think about it baby (*what you try to do to me*)
To the bone, baby, think, about it right now.
Yeah, right now, oh, right now, hey, right now
- 25 You think about it, baby, baby, baby,
(*To the bone for deepness, to the bone for deepness, to the bone for deepness, think about it*)
Wooh, to the bone, baby, yeah, whoo hoo, to the bone, baby, yeah
Woo hoo, to the bone, baby, baby, baby
(*To the bone for deepness, to the bone for deepness, to the bone for deepness, think about it*)
