

Aretha Franklin: Think (1968)

- 1 You better think (*think*) think about what you're trying to do to me
Yeah, think (*think, think*), let your mind go, let yourself be free
- Let's go back, let's go back, let's go way on back when
I didn't even know you, you couldn't have been too much more than ten (*just child*)
- 5 I ain't no psychiatrist, I ain't no doctor with degree
It don't take too much high IQ to see what you're doing to me
You better think (*think*) think about what you're trying to do to me
Yeah, think (*think, think*), let your mind go, let yourself be free
- 'Cause freedom (*freedom*), just give me some freedom (*freedom*), o freedom, yeah freedom
right now
- 10 Freedom (*freedom*), oh freedom (*freedom*), give me some freedom, ooh freedom right now
Hey, think about it, you, think about it.
- There ain't nothing you could ask I could answer you with I won't (*I won't*)
But I was gonna change, but I'm not, if you keep doing things I don't.
You better think (*think*) think about what you're trying to do to me (*What shall I do? Think*)
- 15 Oh, think (*think, think*), let your mind go, let yourself be free.
- People walking around everyday, playing games, taking scores
Tryin' to make other people lose their mind, well, be careful you don't lose yours,
Oh, think (*think*) think about what you're trying to do to me, wooh
Think (*think, think*), let your mind go, let yourself be free.
- 20 You need me (*need me*) and I need you (*don't you know it?*)
Without each other there ain't nothing either can do, oh.
- Oh, yeah, think about it baby (*what you try to do to me*)
To the bone, baby, think, about it right now.
Yeah, right now, oh, right now, hey, right now
- 25 You think about it, baby, baby, baby,
(*To the bone for deepness, to the bone for deepness, to the bone for deepness, think about it*)
Wooh, to the bone, baby, yeah, whoo hoo, to the bone, baby, yeah
Woo hoo, to the bone, baby, baby, baby
(*To the bone for deepness, to the bone for deepness, to the bone for deepness, think about it*)
